We believe all technical designs can be improved

Every design involves a balance of factors such as quality and cost, size and functionality, weight and capacity, among others.
Elincom helps you strike the right balance in this process, accelerating time-to-market and minimizing risks. Whether it's a standard or customized component, the solution is always tailored to your specific application.

1975	Established Elincom Electronics
2018	Acquired EEMC / EEMCOIMEX
2020	Established Metric Injection Moulding Solutions (joint venture)
2022	Acquired HF Technology (EEMC)

- **Technical support at the highest level**
- **Supplying directly from the source**
- **A deal is a deal!**

Amphenol LTW – Waterproof data and signal connectors	AXEM Technology – RFID readers & tags	BIVAR – Light guides / led pipes	BLOCK – Transformers, power supplies, electronic fuses, EMC filters	BOPLA – Electronics and handheld enclosures
celduc relais – Solid-state relays, hall sensors, magnetic sensors	CITIZEN – COB, SMD leds & lumi-switches	COTEK – AC/DC power supplies, DC/AC inverters, rectifiers, battery chargers	DBK – Heating elements & cabinet heaters	DEGSON – Industrial cable connectors and chassis parts
DEUTRONIC – Automotive HV DC/DC converters, battery chargers	EA Lighting solutions – LED engines & strips, LED controls	EDAC – Wire and cable connectors, magnetic connectors	EKULIT – Buzzers, speakers, microphones, transducers, vibration motors	electrohms – Current transformers, hall sensors
ELMA – Systems housing 19"& IPC, backplanes, test extenders	EMIS – IEC inlet filters, EMC panel, chassis & feedthrough filters	epic power – Bidirectional DC/DC converters, DC bus managers	EVE – Primairy & rechargeable lithium batteries	FranMar International Inc. – AC/DC wall and desktop adapters
FTCAP – Aluminum electrolytic & film capacitors	FULHAM – Indoor and outdoor LED drivers, emergency lighting drivers	GPS – Mechanical, pneumatic & vacuum test adapters	IDTRONIC – RFID readers & tags	inventronics – Indoor & outdoor LED drivers, programmable, smart control
KGP – Indoor LED drivers	KOCH – Braking resistors, energy storage modules	LEDiL – Lenses, LED holders, LED connectors	mascot – Battery chargers, AC/DC adapters, DC/DC converters	MERSEN – Fuses, varistors, surge & overvoltage protection
METRIC – Custom electronic enclosures, plastic components	Newland – Barcode scanners, scan engines	P-DUKE – AC/DC & DC/DC convertors	Panasonic INDUSTRY – Relays, PIR motion sensors, micro switches, indoor solar cells	Parker Chomerics – EMC shielding products & materials, thermal interface materials
PREMO – Inductors, chokes	PTR HARTMANN – Terminal blocks, pin headers, pogo pins	Renxin – Heat pipes, cool plates, heatsinks	ROHM – Thermal printheads	SEDLBAUER AG – Toroidal transformers
SEIFERT ELECTRONIC – Heatsinks	SEIFERT – Industrial air conditioners, peltier modules, heat exchangers, cabinet lighting	SOLARParts – Custom solar panels outdoor	sbs – Oplaadbare Li-Ion battery packs	SOLID STATE OPTRONICS – Opto relays and solid-state relays
TEFOO – Li-Ion batteries & packs in hard cases	ViNATech – Supercaps, lithium doped capacitors	VS LIGHTING SOLUTIONS – Signal LEDs, LED modules, backlights, smart sensors	XFMRS – Inductors, common mode chokes, RJ & USB combo's

Industrial Automation for Machine Manufacturers

Power
- AC/DC power supplies
- DC/DC convertors
- DC/AC invertors
- Bi-directional DC managers
- 24V UPS systems
- Transformers
- Electronic circuit breakers
- Electrical fuses & fuse gear
- Current & voltage sensors

EMC
- EMC filters
- AC & DC line filters
- Harmonic filters
- Motor coils
- EMC testing

Energy
- Lithium battery packs
- Battery chargers
- Solar panels, rigid & flexible

Connectivity
- Power connectors
- Industrial connectors
- Waterproof connectors
- High voltage DC connectors
- Battery connectors

Switching
- Solid statie relays
- DC high voltage relays
- DC bus managers
- Regenerative break energy
- Brake resistors

Thermal Management
- Heating elements
- Cabinet heaters
- Cabinet coolers
- Chillers
- Coolplates
- Heatsinks
- Thermal interface materials

Auto ID / sensing
- RFID readers & writers
- RFID antennas
- RFID tags
- RFID shielding
- Barcode scanners

Industrial Electronics for Equipment Manufacturers

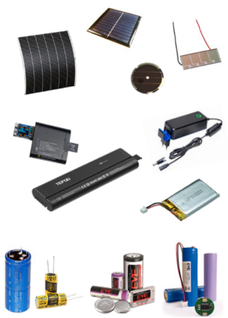

Power
- AC/DC power supplies
- DC/DC convertors
- DC/AC invertors
- Transformers

EMC
- EMC filters
- Coils, magnetics
- Shielding materials
- EMC testing

Energy
- Lithium battery packs
- Battery chargers
- Primaire batteries
- Supercaps
- Indoor / outdoor solar panels

Connectivity
- PCB connectors data & power
- Cable connectors data & power
- Waterproof connectors
- Magnetic connectors

Switching
- PCB & plug in relays
- Solid state relays
- Opto relays
- High voltage relays AC & DC

Thermal Management
- PTC heating elements
- Heatpipes
- Heatsinks
- Thermal interface materials

Auto-ID / sensing
- RFID NFC readers / writers
- Transponders / tags / labels
- RFID shielding
- Barcode scanners
- Barcode label printheads
- PIR motion sensors
- VR tracking sensors

Enclosures
- Electronics housing
- Handheld housing
- Custom housing
- Injection moulded parts
- Lightpipes/Lightguides
- 19" systems
- Backplanes
- IPC housing

Testing
- Test adaptors
- Test connectors
- Pogo pins
- Test power supplies

Led Lighting
- COB / SMD leds
- Led engines / strips / panels
- Led drivers indoor / outdoor / emergency
- Smart controls
- Lenses / reflectors
- Led connectors
- Thermal management
